To

The 1st.Assistant to the

Hon'ble the Resident in

Mysore.

Sir,

I am directed to state that a question as to whether the Chief Commandant, Mysore State Troops, or the Military Assistant to the Govt: of Mysore should submit applications for pension on behalf of the Mysore State Troops for the orders of Government, is pending decision and that till the abolition of the post of Military Secretary in August 1897, this officer was submitting pension applications on behalf of the Mysore State Troops for the orders of Government, and subsequently when the appointments of Military Assistant and Officer commanding the Mysore State Troops were created, this work was transferred to the latter officer.

In June 1902 when the status and duties of the Military Assistant and the Chief Commandant were defined (vide Pro.No.2441/73 dated 11th June02), the Chief Commandant was directed to correspond with the Military Assistant alone on all subjects as he had been for such purposes already vested with

the

the powers of a Secretary to Government

As however both the officers are of equal status in Mysore and as it was usual for the Chief Commandant to submit pension applications on behalf of the Mysore State Troops for the orders of Government in the Revenue and Genl Departments, I am directed to request the favour of your obtaining information from the Government of India or any other Local Government such as Bombay or Madras, ~~as to~~ Concerning the practice prevailing in those matters those Governments.

I may add that the Comptroller whose opinion was invited on the subject says that under Art.474 of the Mysore Service Regulations, pension applications should be submitted to Govt: by Heads of Departments concerned and that therefore pension applications on behalf of the Mysore State Troops should be submitted by the Chief Commandant who is now the Head of the Department and not the Military Assistant.

I have &c.

H. V. Nanjundayya Esquire M.A.M.L.

Secretary to the Government of Mysore,

General and Revenue Departme

Sir,

With reference to articles 365 and 366 of the present edition of the Mysore Service Regulations, I have the honor to inform you that the words "Military Assistant" seem to have been, by oversight substituted for the words "Military Secretary" in the corresponding articles of the old code.

2. Since the abolition of the designation of "Military Secretary" by Government Memorandum of 25th August 1897, applications for pen-sions and gratuities for the men of the sowar and Barr Forces are being submitted to Government by this Office, and on sanction being obtained thereon, pension certificates are also being for-warded to the Comptroller by the Chief Commandant and not by the Military Assistant.

3. I request you therefore to kindly have the error corrected at an early date and to cause the words "Chief Commandant" substituted for the words "Military Assistant".

4. As tents are supplied for my use also, the Chief Commandant is to be included in the list of Officers entitled to same men-tioned in article 538 of the Mysore Service Regulations.
